

November 9, 2015

IPS Corporation is proud to announce we have acquired the plumbing solvent cement assets of Schwartz Chemical Corporation. This acquisition is another step in providing the industries best known brands under the IPS umbrella in the Canadian Plumbing/HVAC marketplace. Schwartz plumbing solvent cements will be available under the “One Order, One Shipment, One Invoice” program, and will continue to be made in Canada.

Orders will continue to be shipped and invoiced through the existing channels until December 23, 2015.

Effective January 4, 2016: Schwartz plumbing solvent cements can be ordered along with other IPS and Masters branded products across Canada exclusively through G. F. Thompson Co. Ltd.

Please send all orders/inquiries to G. F. Thompson Co. Ltd.

Email:	sales@gfthompson.com
Phone:	1-800-499-3673
Fax:	1-800-939-9559

For your convenience, G. F. Thompson Co. Ltd. will maintain stock of the complete line of Schwartz solvent cements at all its existing warehouses:

Coquitlam, BC
Calgary, AB

Regina, SK
Newmarket, ON

Schwartz Chemical Corporation has been offering plumbers and consumers a full line of proven solvent cements, primers and cleaners for professional ABS, PVC and CPVC plumbing projects since 1969.
